

OHIO STATE RABBIT BREEDERS ASSOCIATION APPLICATION FOR MEMBERSHIP

Membership in the Ohio State Rabbit Breeders is \$15.00 for a Club membership or an individual membership per year. Clubs must be chartered with the ARBA. Dues are paid the first of each year along with an updated membership with complete address and marked if the member is a youth so the sweepstakes can be applied correctly.

All new memberships are voted on by the Executive Board of the OSRBA at the meeting in Columbus on Friday of the Ohio State Rabbit Breeders Mini Convention in May.

To apply we need club name, list of officers and directors, a copy of ARBA charter, and a list of all members with their correct address. Also need to mark the youth members for the sweepstakes. You may send any new members with their address anytime during the year.

All members (1 per family) will receive a copy of the Update that is mailed 3 times a year as long as we have the correct address, as post office does not forward them. Member Clubs may have their show sanctioned by the OSRBA for \$5.00 per show. This amount is then subtracted from the ten cents an animal that you send with the breed points for each exhibitor for each breed they showed.

All membership dues, sanction fee, and ten cent per animal are sent to the OSRBA secretary.
